SEQUENCE AMENDMENT

Sir:

The attached Sequence Listing conforms the Sequence Listing to standard United States patent practice.

REMARKS

Pursuant to the requirements of 37 C.F.R. §§ 1.821 – 1.825, Applicants submit the attached Sequence Listing and computer readable form (CFR). The nucleotide sequences disclosed in the specification and claims may be found in computer readable form and are presented in the paper copy of the Sequence Listing attached.

Applicants hereby certify that that the information recorded in computer readable form (CFR) supplied as file 061909.txt is identical to the accompanying electronically scanned
